REQUEST FOR CERTIFICATE OF CORRECTION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

On May 4, 2010, our office filed a petition to request a Certificate of Correction for correcting the Assignee name printed on the Letters Patent in accordance with MPEP 3.81. Both of the fee **\$100** set forth in 37 CFR§ 1.20(a)) and the processing fee **\$130** set forth in 37CFR§ 1.17(i) were paid in full.

We have received a Decision on the petition from the Petitions Examiner that **the petition has been granted on Jul 7, 2010.** and the Certificate of Correction Branch will issue the requested Certificate of Correction. However, we have not received the certificate after almost three months.

The Assignee of the patent is anxiously awaiting the certificate. Your assistance in issuing the Certificate of Correction for the Letters Patent promptly will be greatly appreciated.

Respectfully submitted,

/Jason Z. Lin/
